Katrina is now part of this DVET group. Thinking that maybe it would be good opportunity for her.

This is what I expected, a yes from Ed and silence from others. My inclination is to say yes OPP will co-chair but we will need to figure out the who.

Hi,

I got this request from Jane last night (who we work with on the CERSA workshop and NA RPAAS workgroup) if we would be interested in co-chairing the session at ACS. It seems that they need a response pretty quickly.

Thoughts?

Amy

Hi Amy and Ross,

ACS is accepting symposium proposals for the fall meeting. I think UAS development in agriculture would be an interesting topic. Jeff is onboard to be one of the co-organizers. It would be nice if you are also interested in co-organizing the symposium. The due date was Sunday, but the AGRO chair has agreed to accept it if we can submit the proposal by next Monday. Please let me know. I can put together a draft proposal.

looking at the current COVID situation, the ACS fall meeting will likely be a virtual meeting again.

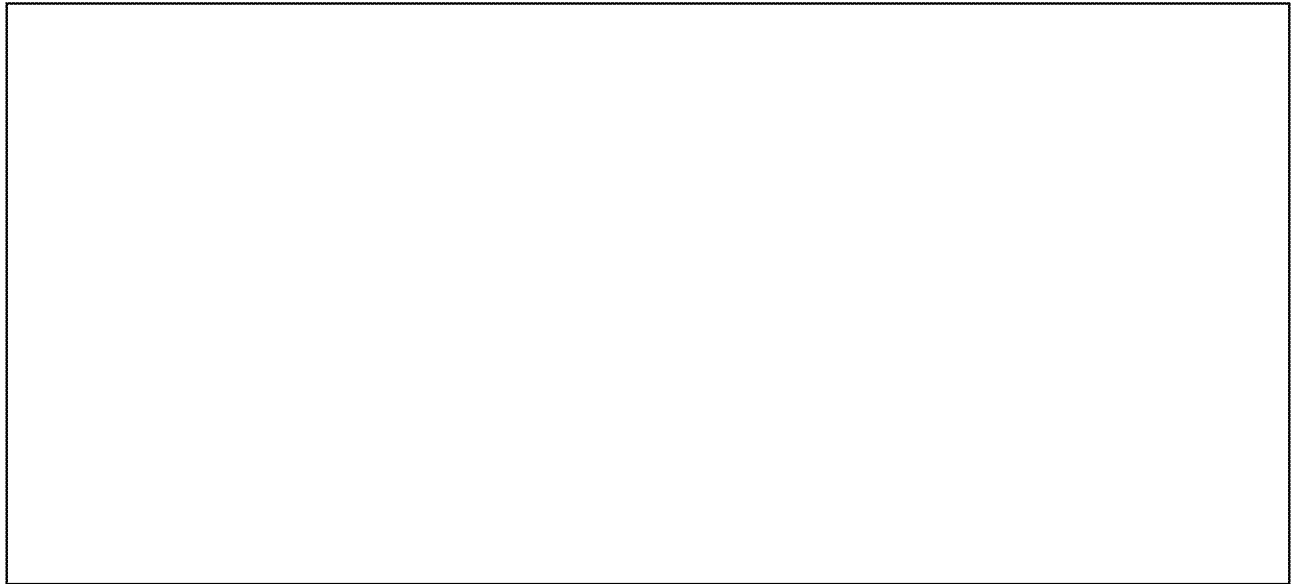

Best regards,

Jane Tang, Ph.D.
Head of Environmental Exposure Modeling
Environmental Safety North America

Submit your symposium proposal

Dear colleagues,

This is a friendly reminder to submit your symposium proposal (i.e., call for papers) if you are interested in organizing a symposium at our next ACS National Meeting in Atlanta, Georgia on August 22-26, 2021.

Please submit your symposium proposals by the deadline of **November 15, 2020** to [Qing Li](#). The proposal template and instructions can be found at AGRO division [website](#).
